States doing well under NREG Act

2427. SHRI SHAHID SIDDIQUI: Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) how much money has been spent on the National Rural Employment Guarantee Act in 2005-06;

(b) whether it is a fact that a large amount to be spent by the Central Ministries has lapsed; and

(c) the States which have performed well under this scheme?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI CHANDRA SEKHAR SAHU): (a) NREGA was launched in 200 identified districts in the country on 2.2.2006. No budget provision has been made during the year 2005-06 for implementation of the Act. Funds had been provided to these 200 NREGA districts during 2005-06 out of the budget allocations made under National Food for Work Programme for the year 2005-06. A Statement indicating the cumulative expenditure for NFFWP and NREGA for the year 2005-06 is enclosed (*See* below).

(b) NREGA is demand based programme and not allocation based. Funds are released to the districts on receipt of a proposal along with Utilisation Certificate indicating utilisation of at least 60% of the funds released earlier. The unutilized funds under NREGA do not lapse but are carried forward to the next financial year as opening balance for that year.

(c) Performance of the States is assessed against a number of programme indicators. All States are responding well to the demand for employment and are able to provide employment. All states except Bihar, H.P., J and K, Jharkhand and Punjab have been able to involve at least 1/3rd women workers. All states except Bihar and Maharashtra are submitting their data in time. Exemplar States in the field of imparting training to the functionaries are AP, Rajasthan, MP, TN, West Bengal, Chhattisgarh and Karnataka. States in which critical staff has been put in place are AP, MP, TN, Rajasthan, Chattisgarh, West Bengal, Gujarat and Karnataka.
